As the weather turns warmer, and the sunshine gets closer to the earth, we need to protect the students from getting unnecessary sunburns. Please fill out the following and return it to school:

My Child, _____ may have sunscreen applied to exposed areas of his/her skin before going out on sunny and warm days.

I will provide a bottle of sunscreen lotion with him/her with labeled with the child's name. Sunscreen of at least SPF 15 or higher (PABA free) is recommended. We also recommend a hat of some sort.
